REASSEMBLING OF CONGRESS

up on Time Last Monday.

Washington, Dec: 1 .- The econd session of the Fifty-Seventh

Congress convened at noon today. The scene in the Senate Chamber when that body met to begin work was a brilliant one. Long before noon when President Pro Tem Frye brought the gavel down and opened the proceedings the gal leries began to fill up. Every seat was soon occupied and hundreds stood outside in the corridors clamoring for admission.

The floor of the Senate was veritable garden, chrysanthemums roses, violets spreading fragrance throughout the chamber. Many floral pieces of magnificence hid and finally went to the bottom the rear, the bullet entering the the desks from view. Without where he found the lifeless body back just under the shoulder blade, distinction of party the Senators moved about the chamber renewing old acquaintances,

The familiar figure of Senator McMillan, of Michigan, was miss ing, and universal sorrow was ex pressed at his demise.

The Hall of Representatives also presented a brilliant scene at the opening of the session. During wagon and it is reported that both the recess the chamber had been wheels next to the house are filled redecorated throughout. The old color scheme has been preserved, tion that the case against Alvord store next Sunday at 11 a. m. and house indi ates where Lynch re- but with fresh colors which serve to lighten the general effect.

The galleries were packed soon there is a trail of blood from the after they were thrown open at 10 door to the bed, showing that the o'clock. The opening of the Congress is a society as well as a poli failed to convict on the ground the door, then raised up, but before tical event and the galleries were filled with handsomely gowned was evident that he had stood near society women. There was the usual floral display The members began to arrive soon after 11 o'clock. Greetings

were exchanged between political friends and opponents. At 12 minutes after noon the Senate adjourned as a mark of
